Thank you for helping out with uniforms - we can’t do this without our wonderful parent volunteers!

SKILLS

If you can take a teenager clothes shopping you have the skills we need to fit uniforms. For the sewing help - it is just hemming and minor repairs.

SCHEDULE

We plan to begin fitting and hemming uniforms during the Tuesday evening rehearsals in July. July 9, 16, 23 and 29 from 6-8:30pm. We will continue during the evening rehearsals (6-8:30pm) during the week of band camp July 29 - Aug 2 and if necessary on Tuesday evenings (6-8:30pm) at the beginning of the school year.

OTHER INFORMATION

If sewing volunteers would like to take uniforms home to work on them that is fine. I just ask that you let me know who is taking what and when they are returned.

We will start with fitting the seniors, then juniors and so forth...

We need to have everyone ready to go with uniform and shoes for the first home game on August 30th. Shoe (Dinkles) orders need to be in before August 16 to make sure we get them in time for the first home game on August 30.

This usually goes very smoothly if we have a group of at least 5-6 people to fit each evening. As we get to the beginning of the school year we don’t need as many volunteers for fitting as we usually just have a handful of students left to fit.

We can use as many people to sew hems and make minor repairs as we can get!
