Omaha Public Schools

ACT/NSCAS Alternate Assessment Early Dismissal Form for Juniors

On Tuesday, April 7, 2020, eleventh grade students in the Omaha Public Schools (OPS) will participate in state testing. Students will take either the ACT or the NSCAS Alternate Assessment. Juniors will be the only high school students in the building.

Testing will conclude shortly after 1:00 p.m. Once testing is complete, students will have the opportunity to eat lunch and participate in school-planned activities until dismissal at 3:05 p.m. OPS bus transportation will run at regular times.

Juniors wishing to leave the building immediately after testing must have authorization from their parent or legal guardian. Please complete this form if you would like to authorize early release for your student.

I give permission to Central High School to dismiss my student once testing has ended for all juniors on Tuesday, April 7, 2020.
